ABOUT DGA®

DGA® is the leading manufacturer of Disc Golf baskets for the sport of Disc Golf and the company that founded the sport over 30 years ago. For the last three decades Disc Golf Association® has worked both in the forefront and behind the scenes to sow the seeds of the sport. Today Disc Golf has become one of the fastest growing sports in the United States and is extending its reach into South America, Europe, and Asia. Since 1975, our Disc Pole Holes™ have met the needs of the top professionals and top recreational Disc Golf players. Over two thirds of Disc Golf courses have chosen DGA® Disc Pole Holes™ making our baskets the number one selling course equipment. We provide the finest quality, the best performance, the most choices and the player-preferred baskets for the sport.
